

Tangmere Flower Club

Tangmere Flower Club is open to everyone, young and old, male and female, who have a love of flowers. Each year the club always has a varied programme of flower arrangement demonstrations and other flower-related craft evenings.

Many members simply sit back, relax, and enjoy the evenings, but for those members who enjoy taking part in competitions, we have a monthly flower-arrangement competition for them to enter; a small prize being given to the winner. In January there is also an annual prize-giving to the overall winner, and the two runners-up, for the previous year.

Evenings are always very relaxed and informal, with refreshments being included in the annual membership fee. There is always a raffle at the end of each evening - on those evenings when we have flower-arranging demonstrations the arrangements are given as raffle prizes - these may be very large, so don't come on your bike! Our current membership is drawn from a wide area, not just Tangmere, so if you don't have transport, but would like to join our Club, it's quite possible that another member will be able to give you a lift.

Meetings are held in the large hall of the Tangmere Village Centre at 7.30pm on the second Friday of each month, except August when we take a break. The annual programme is always published in the Tangmere Newsletter, as well as being on display on the village Notice Boards at the Village Centre and at the Bus Stop. If you would like further information about the Club please phone the Chairman on 01243-773538, or why not simply turn up on any of our evenings - you will be very welcome.
