

RAF HALTON AIRCRAFT APPRENTICES ASSOCIATION
SOUTH COAST (TANGMERE) GROUP

The RAF Apprenticeship Scheme was started by Lord Trenchard in 1922 but, sadly, was discontinued in 1993. We are a group of about 30 ex-apprentices who had a three year Engineering Apprenticeship at RAF Halton near Aylesbury, Bucks. The oldest member was there in the 1930s whilst the youngest graduated in the 1980s. We meet in order to continue the comradeship which we experienced in the Service which of course entails an awful lot of reminiscing. The meetings are held on the third Wednesday of every other month beginning in February each year. In between these meetings, at which we have a guest speaker, we arrange visits to places of interest and also have social outings with our partners. Anyone who was an RAF Apprentice is cordially invited and details can be obtained from the Secretary:
